Janet Bergh, Town Clerk

LEGAL NOTICE

Posted 1/7/94

January 4, 1994

The Long Lake Town Board met at the Town Hall at 7 p.m. All members were present. The Clerk announced that the meeting was in compliance with the Open Meeting Law. The minutes of the last meeting were read and approved. The Treasurer's report was accepted. Rich Alvin suggested that the town should purchase a two-way radio for the chairman and the truck. Andy Bailey will look into the matter.

A Resolution was passed to present the Mandatory Recycling Ordinance at the February meeting for discussion and passage. The meeting for March will be postponed to the second Tuesday. Andy Bailey will attend the WTA district meeting at Lakewoods on March 4, 1994. He will also continue <sup>to</sup> the possibilities of purchasing a computer and software for the town. *invest* Vouchers 4542-4570 were approved. The meeting was adjourned.

Respectfully submitted,

*Janet Bugh, Clerk*

February 1, 1994

The Long Lake Town Board met at the Town Hall at 7 p.m. Lois Walton was absent. The Clerk announced that the meeting was in compliance with the Open Meeting Law. The minutes of the last meeting were read and approved. The Treasurer's report was accepted. It was moved and passed to approve the Mandatory Recycling Ordinance 1994-1. A notebook entitled "MUNICIPAL CODE OF THE TOWN OF LONG LAKE" has been placed on file at the town hall in which all future passed ordinances and resolutions will be kept.

A discussion was held regarding the purchase of a two-way radio vs. cellular phone for the town truck. It was decided that a cellular phone would better meet town needs. A motion was made and passed to purchase one from Radio Shack and have it installed. Andy Bailey is still looking into the purchase of a computer for the town.

The April meeting date will be 4/12 because of the election on 4/5. The Annual Town Meeting will be held Saturday, 4/16 at 10 a.m. Vouchers 4571-4590 were approved. The meeting was adjourned.

Respectfully submitted,

*Janet Bugh, Clerk*

**Legal Notices**

**TOWN OF LONG LAKE • WASHBURN COUNTY  
ORDINANCE 1994-1  
AN ORDINANCE TO REVISE AND CONSOLIDATE, AMEND,  
SUPPLEMENT AND CODIFY THE GENERAL ORDINANCES  
AND BYLAWS OF THE TOWN OF LONG LAKE.**

The Town Board of the Town of Long Lake, Wisconsin, do ordain as follows:

Section 1. The code of ordinances in book form entitled, Municipal Code of the Town of Long Lake, Wisconsin, having been placed on file and open to public inspection in the office of town clerk for a period of two weeks, commencing January 19, 1994, in accordance with the procedure provided under Sec. 66.035 of the Wis. Statutes, is hereby adopted as the general code of ordinances in and for the Town of Long Lake, Washburn County, Wisconsin, and all previously adopted general ordinances of the Town of Long Lake are hereby repealed, except as provided in Section 2 of this ordinance.

Section 2. The code of general ordinances hereby adopted shall not be deemed to repeal any ordinances of the Town of Long Lake or any general ordinance or part hereof relating to the following subjects and not conflicting with any of the provisions of the "MUNICIPAL CODE OF THE TOWN OF LONG LAKE, WISCONSIN."

Section 3. This ordinance shall take effect upon passage and publication as required by law.

Adopted: February 1, 1994.

Published: February 9, 1994.

Grant Engen, Town Chair

TOWN OF LONG LAKE  
WASHBURN COUNTY  
RECYCLING ORDINANCE

*Records reflect that Lois  
Walton (now Wright) did  
approve this Recycling  
Ordinance, however somehow  
her signature got overlooked.  
Dolores Magnus, Clerk  
April 1, 2005*

1.01 Title. Recycling Ordinance for the Town of Long Lake, Washburn County, Wisconsin.

1.02 Purpose. The purpose of this ordinance is to promote recycling, composting, and resource recovery through the administration of an effective recycling program, as provided in s. 159.11, Wis. Stats., and Chapter NR 544, Wis. Administrative Code.

1.03 Statutory Authority. The ordinance is adopted as authorized under s. 159.09(3)(b), Wis. Stats.

1.04 Abrogation and Greater Restrictions. It is not intended by this ordinance to repeal, abrogate, annul, impair or interfere with any existing rules, regulations, ordinances or permits previously adopted or issued pursuant to law. However, whenever this ordinance imposes greater restrictions, the provisions of this ordinance shall apply.

1.05 Interpretation. In their interpretation and application, the provisions of this ordinance shall be held to be the minimum requirements and shall not be deemed a limitation or repeal of any other power granted by the Wisconsin Statutes. Where any terms or requirements of this ordinance may be inconsistent or conflicting, the more restrictive requirements or interpretation shall apply. Where a provision of this ordinance is required by Wisconsin Statutes, or by a standard in Chapter NR 544, Wis. Administrative Code, and where the ordinance provision is unclear, the provision shall be interpreted in light of the Wisconsin Statutes and the Chapter NR 544 standards in effect on the date of the adoption of this ordinance, or in effect on the date of the most recent text amendment to this ordinance.

1.06 Severability. Should any portion of this ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected.

1.07 Applicability. The requirements of this ordinance apply to all persons, both full time and seasonal residents within the Town of Long Lake.

1.08 Administration. The provisions of this ordinance shall be administered by the Town Board of the Town of Long Lake.

1.09 Effective Date. The provisions of this ordinance shall take effect on January 1, 1995.

1.10 Definitions. For the purposes of this ordinance:

(1) "Bi-metal container" means a container for carbonated or malt beverages that is made primarily of a combination of steel and aluminum.

(2) "Container board" means corrugated paperboard used in the manufacture of shipping containers and related products.

(3) "Foam polystyrene packaging" means packaging made primarily from foam polystyrene that satisfies one of the following criteria:

(a) Is designed for serving food or beverages.

(b) Consists of loose particles intended to fill space and cushion the packaged article in a shipping container.

(c) Consists of rigid materials shaped to hold and cushion the packaged article in a shipping container.

(4) "HDPE" means high density polyethylene, labeled by the SPI code #2.

(5) "LDPE" means low density polyethylene, labeled by the SPI code #4.

(6) "Magazines" means magazines and other materials printed on similar paper.

(7) "Major appliance" means a residential or commercial air conditioner, clothes dryer, clothes washer, dishwasher, freezer, microwave oven, oven refrigerator or stove.

(8) "Multiple-family dwelling" means a property containing 5 or more residential units, including those which are occupied seasonally.

(9) "Newspaper" means a newspaper and other materials printed on newsprint.

(10) "Non-residential facilities and properties" means commercial, retail, industrial, institutional and governmental facilities and properties. This term does not include multiple family dwellings.

(11) "Office paper" means high grade printing and writing papers from offices in non-residential facilities and properties. Printed white ledger and computer printout are examples of office paper generally accepted as high grade. This term does not include industrial waste.

(12) "Other resins or multiple resins" means plastic labeled by the SPI code #7.

(13) "Person" includes any individual, corporation, partnership, association, local governmental unit, as defined in s. 66.299 (1)(a), Wis. Stats., state agency or authority or federal agency.

(14) "PETE" means polyethylene terephthalate, labeled by the SPI code #1.

(15) "Plastic container" means an individual, separate, rigid plastic bottle, can, jar or carton, except for a blister pack, that is originally used to contain a product that is the subject of a retail sale.

(16) "Postconsumer waste" means solid waste other than solid waste generated in the production of goods, hazardous waste, as defined in s. 144.61(5) Wis. Stats., waste from construction and demolition of structures, scrap automobiles, or high-volume industrial waste, as defined in s.144.44(7)(a)1., Wis. Stats.

(17) "PP" means polypropylene, labeled by the SPI code #5.

(18) "PS" means polystyrene, labeled by the SPI code #6.

(19) "PVC" means polyvinyl chloride, labeled by the SPI code #3.

(20) "Recyclable materials" includes lead acid batteries; major appliances; waste oil; yard waste; aluminum containers; corrugated paper or other container board; foam polystyrene packaging; glass containers; magazines; newspaper; office paper; rigid plastic containers, including those made of PETE, HDPE, PVC, LDPE, PP, PS, and other resins or multiple resins; steel containers, waste tires; and bi-metal containers.

(21) "Solid waste" has the meaning specified in s. 144.01(15), Wis. Stats.

(22) "Solid waste facility" has the meaning specified in s. 144.43(5), Wis. Stats.

(23) "Solid waste treatment" means any method, technique or process which is designed to change the physical, chemical or biological character or composition of solid waste.

"Treatment" includes incineration.

(24) "Waste tire" means a tire that is no longer suitable for its original purpose because of wear, damage or defect.

(25) "Yard waste" means leaves, grass clippings, yard and garden debris and brush, including clean woody vegetative material no greater than 6 inches in diameter. This term does not include stumps, roots or shrubs with intact root balls.

1.11 Separation of Recyclable Materials. Occupants of single family and 2 to 4 unit residences, multiple-family dwellings and non-residential facilities and properties shall separate the following materials from postconsumer waste:

(1) Lead acid batteries

(2) Major appliances

(3) Waste oil

(4) Yard waste

(5) Aluminum containers

(6) Bi-metal containers

(7) Corrugated paper or other container board

(8) Foam polystyrene packaging

(9) Glass containers

(10) Magazines

(11) Newspaper

(12) Office paper

(13) Rigid plastic containers made of PETE, HDPE, PVC, PP, PS, and other resins or multiple resins.

(14) Steel containers

(15) Waste tires

1.12 Separation Requirements Exempted. The separation requirements of s. 1.11 do not apply to the following:

(1) Occupants of single family and 2 to 4 unit residences, multiple-family dwellings and non-residential facilities and properties that send their postconsumer waste to a processing facility licensed by the Wisconsin Department of Natural Resources that recovers the materials specified in s.1.11 from solid waste in as pure a form as is technically feasible.

(2) Solid waste which is burned as a supplemental fuel at a facility if less than 30% of the heat input to the facility is derived from the solid waste burned as supplemental fuel.

(3) A recyclable material specified in s. 1.1(5) through (15) for which a variance has been granted by the Department of Natural Resources under s.159.11(2m), Wis. Stats., of s. NR 544.14, Wis. Administrative Code.

1.13 Care of Separated Recyclable Materials. To the greatest extent practicable, the recyclable materials separated in accordance with s. 1.11 shall be clean and kept free of contaminants such as food or product residue, oil or grease, or other non-recyclable materials, including but not limited to household hazardous waste, medical waste, and agricultural chemical containers. Recyclable materials shall be stored in a manner which protects them from wind, rain, and other inclement weather conditions.

1.14 Management of Lead Acid Batteries, Major Appliances, Waste Oil and Yard Waste. Occupants of single family and 2 to 4 unit residences, multiple-family dwellings and non-residential facilities and properties shall manage lead acid batteries, major appliances, waste oil, and yard waste as follows:

(1) Lead acid batteries shall be recycled at a retail outlet.

(2) Major appliances shall be taken to an authorized appliance demanufacturer.

(3) Waste oil shall be deposited at a waste oil collection site.

(4) Yard waste shall be taken to the compost facility in the Town of Long Lake. No plastic bags will be accepted. No brush larger than 1-1/2 inches in diameter will be accepted. The facility is open on Saturday afternoons, May through October from 3:00 P.M. to 5:00 P.M.

1.15 Preparation and Collection of Recyclable Materials. Except as otherwise directed by hauler occupants of single family and 2 to 4 unit residences shall do the following for the preparation and collection of the separated materials specified in s 1.11(5) through (15):

(1) Aluminum containers shall be separated from other metals, be clean and dry and any labels removed.

- (2) Bi-metal containers shall be clean and dry and any labels removed.
  - (3) Corrugated paper or other container board shall be flattened. No cereal boxes, beverage cartons or other gray board should be included.
  - (4) Foam polystyrene packaging shall be clean.
  - (5) Glass containers shall be separated in a brown grocery bag and should be clean and dry. Labels may be left on. Lids, covers, and rings should be removed. No window glass, mirror glass, ceramics, cookware, drinking glasses or light bulbs will be accepted. Residents will be notified should this change.
  - (6) Magazines shall be placed in a separate bag.
  - (7) Newspaper and glossy inserts shall be placed in brown paper bags and should not be tied in bundles
  - (8) Office paper shall be placed in brown paper bags
  - (9) Rigid plastic containers #1 through #7 should be separated, be clean and dry. Labels may be left on. Caps and rings should be removed. No wide necked containers such as butter tubs, whipped topping containers, ice cream buckets or pails, or plastic bags will be accepted. Residents will be notified when this changes.
  - (10) Steel containers shall be separated, clean and dry and labels removed.
  - (11) Waste tires shall be left at retailers or collected at the drop off site for a fee.
- THE DROP OFF BINS WILL BE AT THE TOWN HALL THE SECOND SATURDAY OF EACH MONTH FROM 9:15 - 11:15. A.M. These hours are subject to change. Residents will be notified.

1.16 Responsibilities of Owners or Designated Agents of Multiple-family dwellings. (1) Owners or designated agents of multiple-family dwellings shall do all of the following to recycle the materials specified in s. 1.11 (5) through (15).

(a) Provide adequate, separate containers for the recyclable materials.

(b) Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter about the established recycling program.

(c) Provide for the collection of the materials separated from the solid waste by the tenants and the delivery of the materials to a recycling facility.

(d) Notify tenants of reasons to reduce and recycle solid waste, which materials are collected, how to prepare the materials in order to meet the processing requirements, collection methods or sites, locations and hours of operation, and a contact person or company, including a name, address and telephone number.

(2) The requirements specified in (1) do not apply to the owners or designated agents of multiple-family dwellings if the postconsumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the

materials specified in s. 1.11(5) through (15) from solid waste in as pure a form as is technically feasible.

1.17 Responsibilities of Owners or Designated Agents of Non-Residential Facilities and Properties.

(1) Owners or designated agents of non-residential facilities and properties shall do all of the following to recycle the materials specified in s. 1.11 (5) through (15):

(a) Provide adequate, separate containers for the recyclable materials.

(b) Notify in writing, at least semi-annually, all users, tenants and occupants of the properties about the established recycling program.

(c) Provide for the collection of the materials separated from the solid waste by the users, tenants and occupants and the delivery of the materials to a recycling facility.

(d) Notify users, tenants and occupants of reasons to reduce and recycle, which materials are collected, how to prepare materials in order to meet the processing requirements, collection methods or sites, locations and hours of operation, and a contact person or company, including a name, address and telephone number.

(2) The requirements specified in (1) do not apply to the owners or designated agents of non-residential facilities and properties if the postconsumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in s. 1.11 (5) through (15) from solid waste in as pure a form as is technically feasible.

1.18 Prohibitions on Disposal of Recyclable Materials Separated for Recycling. No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified in s. 1.11 (5) through (15) which have been separated for recycling, except waste tires may be burned with energy recovery in a solid waste treatment facility.

1.19 Enforcement. (1) For the purpose of ascertaining compliance with the provisions of this ordinance, any authorized officer, employee or representative of the Town Board may inspect recyclable materials separated for recycling, postconsumer waste intended for disposal, recycling collection sites and facilities, collection vehicles, collection areas of multiple-family dwellings and non-residential facilities and properties, and any records relating to recycling activities, which shall be kept confidential when necessary to protect proprietary information. No person may refuse access to any authorized officer, employee or authorized representative of the Town of Long Lake who requests access for purposes of inspection, and who presents appropriate credentials. No person may obstruct, hamper or interfere with such inspection.

(2) Any person who violates a provision of this ordinance may be issued a citation by the Town Chairman or Supervisors to collect forfeitures. The issuance of a citation shall not preclude proceeding under any other ordinance or law relating to the same or any other matter. Proceeding under any other ordinance or law relating to the same or any other matter shall not preclude the issuance of a citation under this paragraph.

(3) Penalties for violating this ordinance may be assessed as follows:

(a) Any person who violates s. 1.18 may be required to forfeit \$50 for a first violation, \$200 for a second violation, and not more than \$500 for a third or subsequent violation.

(b) Any person who violates a provision of this ordinance, except s. 1.18, may be required to forfeit not less than \$10 nor more than \$200 for each violation.

This ordinance adopted February 1 1994.
